MAILING LISTS

An electronic list sent via email is the most economical way to get licensee data. The lists contain all physical therapists, physical therapist assistants, occupational therapists, and occupational therapy assistants who are licensed in Texas, residing both in and out of state, in an Excel spreadsheet.

Please note that as of 9/1/2019, lists concerning facilities will no longer be available as PT Board and OT Board facility registration for physical therapy facilities and occupational therapy facilities, respectively, is no longer required due to changes to the PT Practice Act and OT Practice Act that took effect that day.
